

Activity View - Week

This Activity View is a collection of standard UI Controls.

11- Dashboard week detail social	Functional Descriptions	Technical Description
 <p>The screenshot shows a mobile dashboard for 'SOCIAL' activity. At the top is a purple header with a back arrow and the word 'SOCIAL'. Below it is a sub-header 'DEZE WEEK' with left and right navigation arrows. The main content area is divided into three sections: 1. 'Score' section with a large number '4' and five circular day buckets (zo:6, ma:7, di:8, wo:9, do:12). 2. 'Gemiddeld' section with a large number '12' and a progress bar from 0 to 20. 3. 'Spreiding' section with a large number '312' and a bar chart showing activity distribution over a 24-hour period. At the bottom is a navigation bar with four icons: a person, two people, a target, and a gear.</p>	<p>The color of the header depends on the usertype</p> <p>If context = me then purple if context = friend then blue + avatar friend (see section below for example)</p> <p>Sub header with Week description (this week, previous week or date range).</p> <p>the buttons < and > will bring you to previous and next weeks.</p> <p>The following UI Controls are visible at this page.</p> <ul style="list-style-type: none"> Week Score Control Time Bucket Control Spread Control 	<p>The action invoking this screen should pass on the following context</p> <ul style="list-style-type: none"> • UserId • Week Number • Challenge

21-Vriend week detail social

This is is the example of the Friend version (with blue header) of this screen.
